Subject: HIPAA Local Coding Workgroup November Conference

Ok, finally here are the details on the November Local Code Subgroup Conference that I know everyone has been patiently waiting for. I have been able to secure a hotel that will host the meeting as well. One condition, we must have 13 rooms booked. This should not be a problem as I have heard from 12 States and some States are planning to send more than 1 person.

Location: Baltimore, Maryland

Date: November 13-14th, 2000

Time: 8:30am to 4:00pm

Hotel: Tremont Suite Hotels, Downtown

Contact: Kurt Hartmann, 410-786-0400

I would ask that when you are ready to book your hotel, please contact National Travel at 1-800-428-2760. They are keeping track of Hotel rooms and the contract for the meeting space. They can also assist you with Air, rental cars, etc., if needed. When calling tell the customer rep you are booking for "MEETING # 1590". If you are required to use your own State travel agency, please let me know when you book so I can forward your info to National.

We were able to get a government rate of \$110 per night. When you arrange your travel, please let me know names, states, and titles for logistical purposes. I will supply additional sightseeing info for those coming once I have your name. I did not want to load the list serv with non-mission essential documents.

Thanks and looking forward to seeing you there.

So far I have heard from :
